THE 8 INTENTIONS BY ML BIKHOO

The 8 intentions we should try to do before and during every action, however small or big the action is

1. Oh Allah only you are giving me the taufeeq (ability) to perform this amal (action) and its outcome is only in your hands.
2. Oh Allah I am doing this amal because it is your command and a sunnah of Nabi ﷺ
3. Think of some virtues of the action that are promised by Allah and his Nabi ﷺ
4. Oh Allah you are watching me, you can hear me, you know what is in my heart and you are with me.
5. Oh Allah I am not fit to do this action (think of your sins at this point) Oh Allah all others who are doing this action are your accepted slaves through the blessing of their action accept mine too.
6. Oh Allah I am doing this action only for your pleasure. Grant me the ability to please you and protect me from your anger.

7. Oh Allah accept this action of mine and make it a means for my hidayat(guidance)and the hidayat of humanity till qiyaamah
8. After the action make shukr and taubah

O guest of Allah, one of the biggest tips we can share with you is don't complain, no matter what.

Be patient and accept everything that happens to be part of Allah's plan.

Remember the following dua:

الْحَمْدُ لِلَّهِ عَلَى كُلِّ حَالٍ

All praises are due to Allah in all circumstances.

Rather make shukar for being given the opportunity.

Durood's Extra

It has been reported in the hadith that if anybody reads the following Durood Sharif 1000 times on the day of Jummah, one will see one's place (above) in Al-Jannah before or at the moment of death

اللَّهُمَّ صَلِّ عَلَى مُحَمَّدٍ وَآلِهِ أَلْفَ أَلْفِ مَرَّةٍ

O Allah send blessings upon Muhammad ﷺ and the family of Muhammad ﷺ a thousand times.

Also there is the 80 YEARS SAWAAB Durood Sharif. Reading this Durood Sharif 80 times after the Fardh of the Asr prayer on Friday before standing up results in 80 years sawaab recorded for the individual and 80 years of sins forgiven by Allah Ta'ala. A sacrifice of about five minutes every week can lead to such blessings from Allah Ta'ala

اللَّهُمَّ صَلِّ عَلَى سَيِّدِنَا مُحَمَّدٍ نَبِيِّ الْأُمِّيِّ وَعَلَى آلِهِ وَسَلِّمْ تَسْلِيمًا

O Allah send blessings upon Muhammad ﷺ our chief the unlettered Apostle, and send blessings upon his family and Thy favours and Thy salutations.

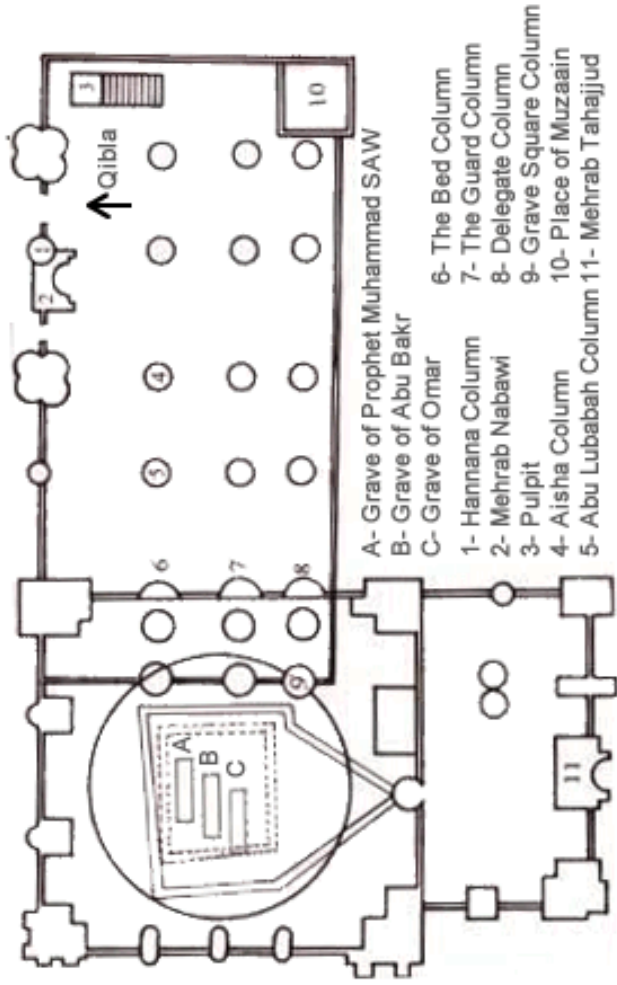

Tips for the raudah:

8 Pillars of Significance

Pillar of Hannanah- The weeping Pillar:

On the spot where a date palm use to be mimbar, Nabi ﷺ used to lean on it during khutbah. When change to mimbar occurred, the tree wept bitterly. Nabi ﷺ consoled the tree and said to it "would you like to be a tree of Jannah?" and the tree was swallowed and will be in Jannah. Today the pillar is a Mihrab (does not look like a pillar, bigger structure triangle roof, Arabic writing and arch door).

Ustawana Aisha (RA)

Nabi ﷺ used to read here before he moved to pillar of Hannanah. Muhajireen used to sit here.

Ustawana Taubah (RA)

Pillar of Taubah / Abu Lubabah

Abu Lubaba was a sahabah who used to deal a lot with the Jews before Islam. In battle of Quraisa he leaked information to the Jews. So upset by this he tied himself to a date tree at this spot and said he shall not untie himself until his taubah is accepted by Allah & Nabi ﷺ will un-tie him.

Eventually Nabi ﷺ untied him after he received revelation that he is forgiven.

Pillar of Sareer

Nabi ﷺ used to make Itikaaf here, a curtain here separated the masjid from Nabi ﷺ house

Ustawana Ali / Pillar of Hars

Place where sahabah used to sit when keeping watch, mainly Ali (RA). Nabi ﷺ passed this spot when entering the masjid from the door of Aisha (RA) room.

Pillar of Wufud

Nabi ﷺ used to meet delegations here.

Pillar of Tahajjud

Nabi ﷺ used to perform Tahajjud here.

Pillar of Jibraeel

Place where Jibraeel used to enter to visit Nabi ﷺ cannot be seen as it lies in the room.

7 Pillars can be seen (one is a Mihrab) marked with green and gold circles with arabic writing.

There is also a Mihrab Uthmani made in Khalifat of Uthman (RA) (Silver dome on roof represents this). Triangular roof, arched doorway and arabic writing. If you

face Qibla more on the right hand side after Rawdah.

Yellow lines on pillars extended by Uthmaan (RA).

Other important sites in Haram

Hadith- Isa (AS) will live on earth, marry and have kids. Live and will die, be buried next to Nabi ﷺ Abubakr (RA) and Umar (RA).

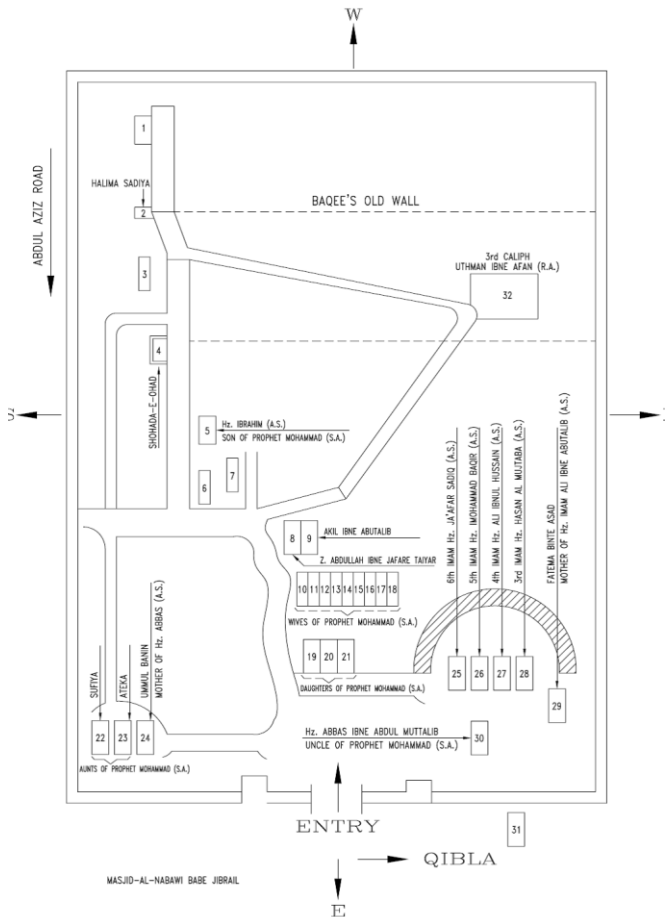

Don't forget 8 intentions before each action

Baqi

- Try to visit daily (or on a Friday).
- Baqi was outside Medinah now part of Medinah.
- During hajj it is open Fajr and Asr time, make dua for all buried there.
- Uthmaan (RA), Ebrahim (RA) son of Nabi ﷺ, Abbas (RA) uncle of Nabi ﷺ, Hassan (RA), Fatima (RA) and other daughters, most of the wives and the author of Virtues of Hajj, Sheikh M.Mohammed Zakariya are buried here.
- For women to see inside Baqi: Walk towards Baqi, walk on the side of main road. Can see inside Baqi from there, make dua from here.
- Nabi ﷺ told Uthmaan (RA) to shoot an arrow and it stopped in Baqi where he is buried.
- Everyone buried in Baqi will be in Jannah with Nabi ﷺ. Nabi ﷺ's wives are buried here beside Khadija (RA) - Makkah-Jannatul Mala & Maymoona (RA) (Sareef on route to Makkah), sunnah to stop here, depends on agent.

Sketch of Jannatul-Baqi

MAP OF JANNAT-UL-BAQI (MADINA)

Dua when going to Muzdalifah

اللَّهُمَّ إِلَيْكَ أَفْضْتُ وَ فِي رَحْمَتِكَ رَغِبْتُ مِنْ
سَخَاتِكَ رَهْبْتُ وَ مِنْ عَذَابِكَ أَشْفَقْتُ فَأَقْبَلْ
نُسُكِي ، وَأَعْظِمْ أَجْرِي وَ يَقْبَلْ تَوْبَتِي
وَ ارْحَمْ تَضَرُّعِي وَ اسْتَجِبْ دَعْوَائِي ،
وَ أَعْطِنِي سُؤْلِي

*Oh Allah to you I return, to Your mercy I turn, from
your anger I shudder, from Your punishment I fear,

All praise to Allah the most beneficent the most merciful.

O ALLAH, bestow mercy and blessings on our beloved Rasoolullah ﷺ and beloved of Allah, the seal of the Prophets and mercy unto the worlds, Muhammadﷺ and upon his family, his children, his wives, and his offspring, his followers and everyone from amongst his ummah, oh most merciful of those who show mercy, and helper of those who ask for help, our sustainer , who is most generous most forgiving, everlasting and everliving we ask you only for help through your mercy, there is non worthy of worship besides ALLAH the most tolerant, most generous glory be to ALLAH the lord of the great throne, all praise is due to ALLAH .we seek your mercy and forgiveness, we seek safety from sins, let not a single sin of ours be left out from being forgiven, remove all our worries and fulfil every need of ours which conforms to your pleasure oh merciful of those who

show mercy, OH ALLAH we have wronged our souls, OH ALLAH forgive our sins, overlook our sins, conceal our sins, OH ALLAH how loving you are, how caring you are, how beautiful you are, OH my Raheem ALLAH, OH my Kareem ALLAH OH my haleem ALLAH, we are unable to praise you as we should, you are as you have praised yourself, OH ALLAH we are extending these hands of ours, they are like begging bowls which you have attached to our bodies, so that we may extend them before you during any part of day and night to beg from you, OH ALLAH have mercy on us, we have used all your bounties that you have given us in disobedience to you, we have used the wealth, the sight, hearing, speech and all you have blessed us with, we have used it in disobedience to you, OH ALLAH we see some people in illness and still don't appreciate the bounties you have given us, despite our sins YA ALLAH you still feed us, you still give us water to drink, you still give us clothing to wear, you still give us transport to travel in, you still give us air to breathe, OH ALLAH our lives

are in your control, you keep our hearts, kidneys, our livers, our lungs, and all our limbs functioning. You granted us imaan without any sacrifice, and yet we show no appreciation .OH ALLAH if there was another ALLAH he would've shaken the earth beneath us by now, he would've ordered the earth to swallow us, YA ALLAH you did not snatch these gifts away and destroy us OH merciful ALLAH open the floodgates of your mercy, if we ask humans a few times they get annoyed with us, OH ALLAH if we ask you then you become happy, the more we beg the more pleased you become, if we don't ask you then you become displeased, OH ALLAH we come with our sins, our sins are like mountains but we cannot despair of your mercy, OH ALLAH man made dynamite sticks to blow up mountains, nothing stop you OH ALLAH from blowing up our sins, forgive us OH ALLAH , our hearts are black with sin, a guest would never stay in a room filled with dead bodies, dead cats and dead rats, then how can you OH ALLAH pure as you are, come into the hearts like

ours, filled with pride, jealousy, malice, and other corpses. But OH ALLAH who else can purify our hearts but you, OH ALLAH if the worlds waste goes into the oceans, the water still remain pure, one wave is sufficient to clean the ocean. OH ALLAH one wave of your mercy with one wave of your forgiveness- clean and purify us. OH ALLAH even if our sins are more than the waves of the ocean, even if it is more than the grains of sand, or more than the entire creation put together than too your forgiveness is much more than this, OH MOST MERCIFUL , have mercy on us, OH MOST FORGIVING , forgive us. OH ALLAH we have left your door despite using so many of your bounties and gifts- our sight, our hearing, our speech, our intelligence are all bounties from you... OH ALLAH we have realised our mistake, our error and our sins, now we are turning to you. OH ALLAH our Nabiﷺ has informed us that something that is beloved to you, is the forgiveness of the sins of the sinners OH ALLAH you love to forgive, so forgive us. OH ALLAH if we leave you where do we

go? Who else is there for us except you? OH ALLAH you are khaliq(creator) you are our maalik(master) you are our razaaq(sustainer) OH ALLAH if a dog is kicked from one butcher he can go to another, if a beggar is chased away from one home he can go to another.. but OH ALLAH, if u reject us, then where would we go? OH ALLAH there is no for us except you. OH ALLAH forgive the sins of our eyes, forgive the sins of our ears, our tongues, forgives the sins of our hands and feet, forgive the sins of our hearts and minds. OH ALLAH forgive each and every sin we have committed. OH ALLAH one major sin we committing is that we have not stopped people from doing evil and not invited people to do good, instead we invite people to do haraam and we prevent them from doing good, we consider evil acts as good and good acts as evil. OH ALLAH we do not want to go alone to jahannum so we pull others with us, we invite to zina, to drugs, to drink, to rave clubs, to porn, to music, to casinos, and everything haraam. OH ALLAH give us the realisation that we

are paving the way to our destruction and the destruction of others. OH ALLAH, give each one of us the ability to enjoin what is good and forbid what is evil- within our homes, societies, families, and call one and all towards the deen of islam. OH ALLAH forgive the sins we committed openly and secretly, knowingly and unknowingly, in the light of the day and the darkness of the night. OH ALLAH there is no such thing as darkness for you, even if there is a tiny black ant crawling under a black rock on the darkest of the darkest nights, you are aware of the movements of that ant. OH ALLAH we are deceiving ourselves. We fool ourselves thinking nobody is watching us when we sin. OH ALLAH give us the ability to make sincere taubah. OH ALLAH from time we have come of age till now how many sins have we committed, OH ALLAH forgive each one of us, forgive our parents, our wives/husbands, our children, our brothers and sisters, our family and the entire ummah of Rasoolullah ﷺ OH ALLAH if you forgive us then you will become pleased, your beloved Rasoolullah ﷺ will be

pleased and we will be pleased, only shaytaan will become displeased, OH ALLAH we are so weak and insincere that the slightest temptation and we will return to haraam, OH ALLAH give us the yaqeen that you are watching us all the time. OH ALLAH give us strength like lions against our nafs and shaytaan. OH ALLAH remove love for sins from our hearts, put hatred for sins in our hearts, put hatred for zina, interest and fraud, gambling, OH ALLAH put hatred for television and music, and hatred for every sin into our hearts. OH ALLAH put love of good deeds into our hearts, OH ALLAH put love for salaah, love for thikr, love for tilawat of quraan, love for fasting and love for serving mankind into our hearts. OH ALLAH give us the ability to go to the masjid 5 times a day, read salaah with jamaat, as far as possible for the men, and for the women to read salaah on time in their homes. OH ALLAH give us the ability to pay our zakaat, and fast in Ramadhaan, and in going for hajj. OH ALLAH help us to fulfil the rights of our parents, our children, our spouses, our

neighbours ,every family member and the entire ummah of Rasoolullah ﷺ OH ALLAH help us to fulfil the rights of the non muslims, OH ALLAH help us to deal honestly in business. OH ALLAH bring deen into our homes, protect us from wasting and help us to appreciate your bounties on us. OH ALLAH give hidayat to everyone, OH ALLAH make us your walis(best friends) how long are we going to remain friends with shaytaan? OH ALLAH how long will we walk the earth as hypocrites? OH ALLAH make us sincere servants. OH ALLAH just like the arteries of the heart get clogged and the heart does not function properly, in the same way our spiritual hearts are clogged with sins. OH ALLAH man has to undertake a surgery to fix his heart, what is it for you to transplant a strong and healthy spiritual heart? OH ALLAH bless us with hearts filled with noor and taqwa, with the noor of thikr, tilawat and reliance only in you. OH ALLAH purify our hearts, remove the evil in it, OH ALLAH remove malice, jealousy, greed, pride, arrogance and all evil desires.

OH ALLAH purify our souls. OH ALLAH man has become tired if sinning so much so they committing suicide. OH ALLAH our sin has only brought misery and sadness and anxiety to us. OH ALLAH bring the realization that sins bring nothing but evil into our lives, OH ALLAH help us to leave all sins. OH ALLAH drench us in your mercy, we have put an umbrella over our heads which is depriving us of your rain of mercy. OH ALLAH give us the ability to throw the television out of our homes, the filthy newspapers and books, and all other evils. OH ALLAH when we stick 2 pages together with glue and try to separate it we are unable to, they will tear but will not separate, OH ALLAH let us have such a strong bond with you that when shaytaan and nafs try and separate us then we will allow our hearts to tear , but we will not allow our hearts to separate from you. OH ALLAH BECOME OURS AND MAKE US YOURS.. if you are ours then everything is ours, and if you are not ours then nothing is ours. OH ALLAH bless us with a long life that we may accumulate lots of good

deeds. OH ALLAH bless us with good health, prosperity, happiness, contentment, patience, taqwa(fear of Allah) bless us with recognition and save us from arrogance. OH ALLAH keep our children on deen and guide them to only what is good, OH ALLAH let our friends be those that you love, OH ALLAH let the best day of our lives be the day that we meet you. OH ALLAH grants us barakah in time, in wealth, in sustenance, in love, and always help us to make shukr daily, let us not look at what we don't have and focus on all that we do have. OH ALLAH put love in our marriages and help us to be and fulfil all the rights of our spouses,, OH ALLAH let us love each other for your pleasure, let our love be like that love our Nabiﷺ had for his wives. OH ALLAH all allow our men to be fearful of you, and allow our women to obey you, so many women do not observe hijab, niqaab because of objections from their husbands, OH ALLAH you change this, let every women be in your obedience OH ALLAH let every man start keeping the sunnah beard, OH ALLAH remove the love

for fashion and dunya from our lives, put love for sunnah and deen in our lives, OH ALLAH we are so weak and we beg you to accept this broken dua, OH ALLAH so much we need from you we will never be able to ask for all that we need, OH ALLAH you know what is in our hearts and all that we need, OH ALLAH accept all those duas that we didn't remember to ask for but OH ALLAH you know we need it. OH ALLAH bring us over and over to the blessed lands of Makkah, Medinah and Aqsa .

Message for the returning Hujaaj

May your hajj be accepted and your reward be Jannah aameen

By: Moulana Ridwan Kajee

Greetings back oh Hajee!

Only you will know how wonderful the winds of Medinah Munawarah must have felt, the joy of tawaaf and Sae, and the amazement at the sight of thousands trying to pelt the jamaraats.

The sweetness of zam zam must still be on your tongue and the dua at multazam are no doubt still ringing in your mind. Do you still remember how you felt when you made istilaam or touched the hajre aswad?

You have indeed returned with excellent memories, cherish them forever. Never become oblivious of the pledges you made with Allah at the door of the kabaah.

Always refresh those good intentions you made in the holy Cities of Makkah and Medinah. Let not those tears which fell at Arafat ever dry up. Never allow those hands which had the honour of touching the kabaah, hajre aswad, and pelting the jamaraat ever become stained with the

filth of haraam wealth.

Those blessed eyes with which you set your first gaze of the holy Kabaah, do not pollute them with the scenes of immodesty and filth of haraam openly around us

O Hajjee! It is as though you have been born again, your soul has been cleansed and your burden lightened. Let your hajj be the start of a whole new life, a life of obedience, piety and worship.

May Allah make it that your Hajj be mabrur (accepted), the reward of which is no less than Jannah. Hadhrat Hasan Basri (RA) has said: The sign of an accepted hajj is that one's inclination towards the dunya decreases and ones desire for the hereafter increases.

Message from the sisters who compiled this book:

O Hajee! Home sweet home!.. not really as sweet as you imagined it to be? You wish you could take your kids and go right back right now. You will feel tired.. mentally and physically, you've been on an amazing journey and it took a lot out from you.. but the tiredness, the dead feeling is your soul missing, craving, needing the noor of the kabaah, the tajali of Medinah.. your soul is yearning for it.. your body is happy to be home with your family, your soul doesn't need any of it.. All your soul needs is to beat saying ALLAH..

All the months of preparation and all the excitement, all the energy... now it's all over... now just memories you will hold on to. Memories you will cherish forever.

Make dua Allah keeps every single moment intact in your mind always, make shukr that you had this opportunity to experience this magical journey of the soul. Before going for Hajj you yearn to go... but once you've made hajj the yearning to go back is so much more...the journey of a lifetime may

be over but your new journey has begun, A new chapter to an empty book of deeds, imagine how kind is Allah, all your sins are erased like the day you were born but all your good deeds are still there! Fill your book with only good. All those intentions you made... keep them alive. Small deeds with big intentions earn great rewards. Remember the spiritual high you felt on this trip is something you will keep searching for but won't find it...it's almost impossible to create those emotions, environment ever again.. But remember Allah is with you...Allah is everywhere. Each day the big black Kabaah you see in front of you in your salaah will get smaller and smaller... hold on to it in your mind for as long as you can. Life will go back to normal and you will find it hard but every day make big intentions and do what you can.

U will get many visitors on your return...All wanting to be part of your experience...Share only the good... leave all the bad behind... Share everything that inspired you and leave behind all that

troubled you.

Use this time as a chance you can give dawah. To inspire someone and bring the spark of deen alive

Some tips to stay focused:

- Give sadaqah daily
- Read your salaah as soon the adhaan goes, keep the energy going that you had in the holy lands
- Set a time for tilaawat if quraan.

Only in thikr will your soul find peace. The food for the soul is thikr. Remember Allah in everything you do. Make time for dua daily. What I missed the most was the time I had to make sincere, focused dua, it was so easy in front of the kabaah to pour my heart out, back home you have a million things to do and your mind races. Sit and read duroods before and calm your mind, talk to your best friend, he misses your voice. Your training is over now you put into practice. Remember one small change and you've won. Don't aim too high we are all insaan. Small deeds and a clean heart.

Do your best, Allah will do the rest.
